

LAEF ANNUAL REPORT / 2017-18

LAEF CELEBRATES 35 YRS!

LAEF Funds Educational Excellence

This past school year, LAEF celebrated its 35th anniversary. That's three and a half decades of grants and more than \$43 million to enable the Los Altos School District to provide its students with an excellent education. With an initial goal to fund classroom supplies like maps and globes, LAEF's grants have grown and evolved over the years to fund critical teachers and staff across a variety of subjects, enabling a well-rounded education. We are profoundly grateful for all those who have volunteered and supported the foundation over the last 35 years.

“

LAEF was founded as the community's response to a clear need. The Los Altos School District urgently required augmented funding if enrichment programs in areas like computers, science, music, art and PE were not to suffer. It's wonderful to see how far LAEF has come in 35 years and to know that the organization is still helping fund and thus keep robust such important learning areas for LASD students.

”

- KAYE AND BERT LOUGHMILLER
founding members and
early president (Bert) of LAEF

\$43 Million Raised!

Passing the bucks

Los Altos Education Foundation director Bert Loughmiller (left) hands a check for \$65,000 to Los Altos School District Superintendent Richard Scardamaglia Sunday after a foundation meeting at Santa Rita School. The money will be used to purchase books and library reference materials for the schools.

LEADERSHIP MESSAGE

Katherine Stephens (R) and Heather Macdonald present check to LASD Superintendent Jeff Baier

To our Supporters and Volunteers,

Thirty-five years ago, a group of parents committed to strengthening our public schools founded the Los Altos Educational Foundation. At a time when school funding was at an all-time low, raising additional funds through donations became imperative to providing a quality education for our children.

Today is no different. As LAEF enters its 36th year, our public schools remain underfunded. To help fill this gap, parents, grandparents, alumni, community members and corporations invest in our schools by supporting LAEF. On behalf of the

Board of Directors, thank you to all of our donors! Your generosity truly makes a difference in providing a well-rounded, quality education for each student in the Los Altos School District (LASD) and strengthening the community in which we live.

With your support, LAEF provided \$3.3 million to LASD in the 2017-18 school year to fund teachers and staff for STEM, Wellness, Literacy, Arts, and Personalized Learning at all nine district schools. We invite you to learn more about the specific programs LAEF funded in this Annual Report—the programs that you helped prioritize with your participation in our annual survey.

We are inspired by our community's tremendous investment in our schools and look forward to partnering with you again for this school year. Thank you for your steadfast commitment and generosity.

With gratitude,

A handwritten signature in blue ink, appearing to read 'K. Stephens'.

Katherine Stephens
2017-18 Board President/
LASD Parent

A handwritten signature in blue ink, appearing to read 'Heather M. Macdonald'.

Heather Macdonald
Executive Director

OUR MISSION

The Los Altos Educational Foundation is a catalyst for educational excellence for students throughout the Los Altos School District (LASD). We believe strong schools are the foundation of a thriving community.

LAEF FUNDED PROGRAMS

During 2017-18, LAEF funding supported teachers and staff at every school for the following 5 program areas

STEM

Wellness

Literacy

Arts

Personalized Learning

PROGRAM HIGHLIGHTS:

Exposing Students to the Language of Music

Students in 4th-6th grade enjoyed an updated music program, giving them an opportunity to learn music skills and gain an appreciation for music. Students learned to appreciate different genres of music, read music, sing in parts, play an instrument, and join band, orchestra or choir. The energy and excitement of the music staff were contagious, encouraging creativity, cultural awareness, and artistic expression.

Kids Who Learn Computer Science Learn How to Learn

Students in K-8th grade used computer science (CS) to learn strategies to solve problems, design projects, and communicate ideas. LASD continued to expand its computer science program, including CS integrated with K-5th grade STEM, 6th grade CSTEM, a CS integration unit in 7th & 8th grade science classes, and a junior high CS elective. Every student in our district learned computer science!

FINANCIAL SUMMARY

LAEF is fortunate to be funded by contributions from both our LASD parents and our greater community. LAEF operations rely heavily on parent volunteers who help keep our expenses low.

LAEF FUNDING SOURCES ¹

LASD Families	\$2,596,980
Alumni Families	\$30,513
Community Members/Groups	\$291,757
Honor Roll of Realtors	\$51,275
Corporate Giving & Matching	\$667,726

TOTAL SOURCES	\$3,638,251 ²
----------------------	---------------------------------

¹Unaudited Finances for fiscal year ended June 30, 2018.

²Despite falling slightly short of our \$3.7M funding goal, LAEF met its grant commitments due to one-time expense savings.

LAEF FUNDING ALLOCATION

HONOR ROLL OF REALTORS

Many thanks to the realtors who have generously supported our schools this past year. This program benefits the Los Altos Educational Foundation and the Mountain View-Los Altos High School Foundation. Proceeds are split equally between the two educational foundations. If you have an occasion to work with or recommend a realtor, please contact one of the following dedicated supporters of our schools.
